Sr. DEE/TRS-BRC

Date : 15/05/2025

Sub : Request for provision of Jumbo Desert Coolers for HR and Inspection Section.

Dear Sir,

Union like to point out that the staff working in the HR and Inspection sections, who are engaged in critical maintenance work in the Cab and Machine Shop, are facing extremely harsh working conditions due to soaring temperatures.

As the administration is aware, the ambient temperature during the hours between 11:00 hrs. to 16:00 hrs. often reaches as high as 43°C to 46°C. Performing duties under such extreme heat—particularly on passenger loco maintenance which is directly related to train safety is not only physically exhausting but also compromises the efficiency and wellbeing of the staff.

In the interest of staff welfare and safety-sensitive operations, the union strongly demands that Jumbo Desert Coolers be provided immediately in the HR and Inspection sections. This will help maintain a tolerable working environment and support the smooth execution of safety-related maintenance work.

WREU trust the administration will treat this issue with due urgency and take immediate action.

Sanjay Pawar.
Divisional Secretary
