It has been brought to our notice that the overtime dues for the years 2023 and 2024 have not been paid to them despite several representations. In their applications, they have provided month-wise details of the pending overtime.

This non-payment of their hard-earned overtime wages has caused significant financial hardship to the Running Staff, who dedicate themselves tirelessly to the operational needs of the railways.

In the interest of staff welfare and to ensure that their morale and financial stability are not adversely affected, we urge you to take immediate action to process and release the pending overtime payments without any further delay.

Union trust your good office will address this matter with utmost priority and resolve the issue at the earliest.

Action taken may please be advice to union.
