Sub : Request for Decision on Prolonged Medical Treatment of Shri Ganpat Meena-LP/Goods.

Ref : Employees application Dated : 13/06/2024.

Dear Sir,

WREU like to draw your kind attention towards grievances of Shri Ganpat Meena, LP Goods, who has been under continuous medical treatment since 13/06/2024, i.e. for more than seven months. His treatment is being supervised by the PRTN Railway Hospital, from where he is frequently referred to J.R. Hospital.

It is observed that during each referral to J.R. Hospital, he is kept under observation for 15 to 18 days before being sent back to PRTN Hospital without any conclusive decision regarding his fitness or further course of treatment. This cycle has continued for the past several months, leaving the employee in a state of uncertainty and financial distress.

Shri Ganpat Meena has exhausted all his sick leave and is currently on leave without pay, which has left him without any salary. He has submitted an application requesting the administration to expedite the decision regarding his medical condition and treatment.

The union strongly feels that either J.R. Hospital or PRTN Railway Hospital should take a clear and conclusive decision about his medical fitness or further treatment. Prolonging the situation any further will only worsen the employee's financial and mental well-being, as he is already facing severe hardship due to the lack of income.

WREU request your urgent intervention in this matter to ensure that a fair and timely decision is made regarding Shri Ganpat Meena's treatment and his future. This will not only help alleviate his distress but also reflect positively on the administration's commitment to employee welfare.

Action taken may please be advice to union.

Sanjay Pawar.
