**Sub :** Request to provide Proper and Functional Walkie-Talkie Sets for Loco Pilots & Train Managers of BRC Division.

Dear Sir,

WREU like to bring to your kind attention the urgent need to provide proper & functional walkie-talkie sets to the Loco Pilots working under your jurisdiction.

At present, the walkie-talkie sets provided are either outdated, faulty, or not functioning properly, which is seriously hampering smooth communication during train operations. As you are aware, Loco Pilots are required to keep their mobile phones switched off during duty hours for safety reasons. In such circumstances, the walkie-talkie set remains the only reliable mode of communication for the Loco Pilots with Station Masters, Controllers, Train Manager and other concerned staff.

Considering the critical role communication plays in ensuring safe and efficient train operations, WREU request that this matter be treated as urgent and of high priority, being directly related to safety.

WREU request immediate steps be taken to supply adequate numbers of new, high-quality, and functional walkie-talkie sets to all Loco Pilots & Train Managers replacing the faulty ones currently in use.

Action taken may please be advice to union.
