**Sub :** Request for Provision of Canteen Facilities at EKNR Station.

Dear Sir,

It is brought to your kind notice that EKNR station is one of the important and isolated stations under BRC Division. Despite the strategic significance and the presence of more than 100 staff from various departments in and around the station, there is no canteen or food facility available either at the station premises or in the surrounding area.

Adding to the concern, no sufficient railway quarters are provided to the staff of Operating, Commercial, Reservation, and other departments. It is unfortunate that not a single quarter has been earmarked or allotted to Commercial, Ticket Checking, or Reservation staff, forcing them to rely on limited and inconvenient options for their daily meals and refreshments.

In the absence of basic food facilities, staff posted at EKNR face serious hardship in managing breakfast, lunch, dinner, or even tea during duty hours, which adversely affects their morale and overall efficiency.

Therefore, WREU earnestly requests the administration to take necessary steps to develop and provide a canteen facility at EKNR station at the earliest, in the interest of staff welfare and efficient service delivery.

Action taken may please be advice to union.
