Sub : Request to Develop Medical Facility at EKNR Station.

Dear Sir,

It is brought to your kind notice that there is an existing pharmacy room available at EKNR (Ekta Nagar) Railway Station, which is presently lying unused. As you are aware, the VIP movement at EKNR is constantly increasing due to its importance as a major tourist and administrative hub. In view of this, it is imperative that basic medical facilities be made available at the station to cater not only to the needs of railway employees but also to handle any medical emergency involving VIPs or passengers.

It is, therefore, humbly requested that at least a CPHR be deputed to maintain this pharmacy and offer basic medical assistance at EKNR. Furthermore, it is submitted that the DB Health Unit has very little workload at present. As such, the COHR staff from DB may be temporarily utilized at EKNR for a few days a week to ensure efficient use of resources.

Such an arrangement will not only benefit railway employees stationed at EKNR but will also ensure preparedness during VIP or passenger emergencies.

Union requests that suitable action be taken at the earliest in the interest of staff welfare and public service.

Action taken may please be advice to union.

Sanjay Pawar.
Divisional Secretary
