**Sub :** Request for Creation of Commercial Clerk Post at Timba Road Station.

Dear Sir,

This is to bring to your kind attention the pressing need for the creation of a Commercial Clerk post at Timba Road station. As the administration is aware, Timba Road station has two operational sidings, namely WCST and the Ballast Siding, which together handle the loading of approximately two rakes daily.

Despite this significant commercial activity, there is currently no sanctioned post of Commercial Clerk at Timba Road. To manage the workload, commercial staff from Godhra (GDA) are being deputed to Timba Road. This arrangement is causing undue hardship to the staff as they are compelled to perform double duty, working at Timba Road after completing their regular responsibilities at GDA. This not only leads to excessive workload but also amounts to harassment of the staff.

In the interest of staff welfare and to ensure efficient handling of commercial activities at Timba Road station, it is requested that a post of Commercial Clerk be created and sanctioned at the earliest. This will not only streamline the operations but also alleviate the undue burden currently placed on the commercial staff of GDA.

Your prompt attention and favourable action in this matter will be highly appreciated.

Sanjay Pawar.  
Divisional Secretary
