Sub : Request for Provision of Washroom Facility at Booking Office, Godhra.

Dear Sir,

It has come to our attention that the booking staff & reservation staff working at the Booking Office in Godhra (GDA) are facing significant inconvenience due to the absence of a dedicated washroom facility within or near the Booking Office.

Currently, the staff is compelled to use the overcrowded waiting room or public toilets, which is highly unsuitable given the nature of their duties. The lack of sufficient spare time during their working hours further exacerbates the problem, making it challenging for them to access these facilities without disrupting their official responsibilities.

Providing a dedicated washroom facility is essential for ensuring basic hygiene and dignity, which are fundamental to human welfare. In this regard, we urge the administration to address this issue at the earliest and provide a washroom facility either within the Booking Office premises or in close proximity.

This step will not only alleviate the difficulties faced by the staff but also contribute to enhancing their productivity and morale. We believe such an initiative would be a reflection of the administration's commitment to staff welfare.

We request your kind intervention and prompt action in this matter.

Action taken may please be advice to union.

Sanjay Pawar.
